Changing Facilities / Viewing area

Bring your child swim ready, with swimwear underneath outdoor clothing.

The teacher will be in the pool, please only deliver your child to poolside 2 minutes before the start of your lesson.

Due to overcrowding and this being a leisure facility, there must be one parent/guardian per every 2 children. Spectating is not permitted on poolside. Two minutes before the end of the lesson, please return to the changing areas where your children will follow when their lesson is complete.

Spectating; Please wait in the coffee bar during your child's swimming lesson. There are windows in which you can watch your child's lesson through, but they are within a used corridor, please do not block this corridor. We are currently in talks with the club to provide a live stream on the big TV in the cafe area, when this is arranged, we will update this information.
